INTRODUCTION

Thank you for enquiring about St Anthony's Pre-School. We have been situated in Hove for over 30 years and are immensely proud of helping all our children to be the best that they can be.

As a local Mum of three young children (all at Primary School), I know how hard it is to make the decision when selecting the best environment for your child. The truth is, that nothing will feel "right" at first, as the decision to leave your child is a tough one. But knowing how hard it is, makes it a lot easier for us to help you.

I am a qualified schoolteacher of over 15 years, and I am delighted that I have such a strong team around me. The team are dedicated and experienced in our setting, which helps to build the caring, nurturing environment which is vital for your child's growth and development. The final member of our team is you as we embark on this journey together – LOVING. LEARNING. TOGETHER.

This prospectus has been put together to help answer some of the questions that you might have. While reading, I am sure that you will have many more, so please feel free to email me anything that you might need at sophie@stanthonyspreschool.co.uk or even better if you would like to come and see us in action so we can speak directly.

Enjoy learning more about our setting, and I look forward to hearing from you soon.

2. ADMISSIONS POLICY & REGISTRATION

Our aim is to be as flexible to your needs as possible. If you have any questions, please ask us.

- We accept all children aged 2 to 5 years of age and celebrate inclusivity by learning about many different cultures as much as possible. We are happy with children who are not yet toilet trained, but please let us know the stage that they have reached (e.g. nappies, pull-ups or uses a potty). Please note that you will need to supply the appropriate nappies or pull-ups and wet-wipes, and nappy bags for their disposal, together with a set of spare clothes in a named bag.
- We have a wide experience of many different conditions and children's special needs, but please discuss them with us first so that we can tailor our services to your child's particular requirements.
- We require a minimum of 2 sessions per week for your child to have continuity and enable the Key Worker to adequately assess and enable progression.
- You are required to give 4 term weeks' notice of a change of sessions or leaving. If this is not possible, payment in lieu of notice will be required. In addition, once sessions are booked, all absences, such as sickness, holidays etc. must still be paid for.

5. STARTING AT ST ANTHONY'S

As mentioned earlier, a registration form is enclosed for you to complete. Please return it with £45.00 for your "starter pack". Payment details are on the form. Once booked, this fee is not returnable.

- **The First Days:** A child who is unhappy will not be able to play or learn properly, so it is important for parents and Pre-School staff to work together to help the child feel confident and secure at the Pre-School, to establish your child's settling in process. This takes longer for some children than others and parents should not feel worried if their child takes a while to settle.
- **What to wear:** In order to feel free to explore and experiment with all kinds of materials, including messy ones, it is best to send children dressed in clothes which are easily washable. In your "starter pack", we provide a uniform of T-shirt and Jumper and grippy socks. Please note that we also provide aprons for painting and water play.

It is good for children to practice the skills which will make them independent. Simple clothing which they can handle themselves will enable them to go to the toilet when they want to and to put on and take off their outdoor clothes without being too dependent on other people's help.

- **Learning:** Our learning is based around literacy-rich books throughout the year to hook the children's interest. These books are the focus of our learning which helps children to play and learn to develop their language and communication skills.

Some learning concepts are seasonal, to support the children to understand the world around them. Children are introduced to simple concepts in all 7 areas of learning. The children learn through play using their imagination and creativity which creates excitement to spark children's interests, we then follow their lead in where they want to take their learning - which could take us anywhere..

- **Outdoor play:** We have a secure garden area for outdoor play at the rear of the preschool and a secure all-weather area. The children will be outside with a wide variety of activities, such as water play; sand play; cars; bikes; prams, construction toys etc, as well as painting in a safe and supervised environment.
- **Notifiable illnesses:** Can you please let us know if your child encounters any infectious illness such as Measles, Rubella, Mumps, Chicken Pox etc. Please note that to prevent the spread of infections, after bouts of sickness and diarrhoea, 48 hours should elapse before returning to pre-school.

- **Smoking:** Parents/staff are not allowed to smoke in the Pre-School or on Church property.
- **Telephone contact:** We have a mobile phone at the Pre-School, 07591 085 502. Please use this during opening hours or if you need to contact me email me on sophie@stanthonysspreschool.co.uk.
- **Helpful hints:**
 - Please feel free to bring in a favourite teddy or comforter if you feel it will help your child settle, but please be aware that we encourage the sharing of toys (so nothing too precious or sentimental) as this could lead to upset if it is used by another child.
 - Let us know about your child's stage of toilet training, any change in your family's circumstances, or if anyone different is collecting your child.
 - Please ensure that all removable items of clothing (hats, coats, gloves, lunch boxes etc.) are clearly marked with your child's name.
- **Uniform:** Our policy at St. Anthony's is to wear our own light blue polo shirt/jumper with our name and rainbow emblem printed on. One polo shirt and jumper is provided in your "starter pack". You may wish to purchase additional items. This means they won't ruin their own clothes while having fun. For health and safety, it also means they are easily identifiable and easier to spot on our pre-school outings.

We hope that your child's time at St Anthony's will be a very happy and productive one.
